Invalid Transfer Reversal Procedure

(hereinafter for the purposes of this Schedule 6 to the Agreement, the “Procedure”)

1. This Procedure sets out the steps the Parties shall take, if the Issuer makes the Company aware of an Invalid Transfer having been made in favor of the Payee under the Online Payment Processing Agreement previously signed between the Payee and OCEAN BANK.

2. The Company shall, within 5 (five) business days of receipt of the notice from the Issuer that an Invalid Transfer was made to the Payee (the Issuer’s Notice), send a demand to the Payee to reverse the Invalid Transfer to the Payee's email specified in the Deed of Adherence (the “Demand”).

3. The Payee shall, not later than 2 (two) business days of receipt of the Demand from the Company, consider the Demand and give notice to the Company's email (robokassa@robokassa.ru) of its agreement with the Request or reasoned refusal to perform the Demand. If the Company does not receive the notice from the Payee of its agreement with or reasoned refusal to perform the Demand within the time period specified in this Clause, the Parties shall deem the Payee to have agreed with the Demand.

4. The Company shall, not later than 3 (three) business days of receipt of the notice from the Payee of its agreement with or reasoned refusal to perform the Demand, or upon the expiry of the time period specified in Clause 2 of this Procedure, give notice to the Issuer of the results of consideration of the Issuer's Notice.

5. The Invalid Transfer shall be reversed (i.e. the Payee shall perform the Demand) as provided by Section 5 of the Agreement.

5. If the Payee refuses to perform the Demand, the Issuer/the Payer may request the Payee directly to reverse the Invalid Transfer. If this is the case, all subsequent negotiations between the Payee and the Issuer/the Payer shall take place bypassing the Company.

6. The Company may suspend a Remittance to the Payee in the amount of the Invalid Transfer specified in the Demands;
   • before the Payee performs the Demand, if the Payee notified the Company of its agreement to perform the Demand. In this case, the Remittances in favor of the Payee shall resume on the first business day following the day of reversal of the Invalid Transfer as provided by Clause 4 of this Procedure;
   • before the receipt from the Issuer/Payer an objection that an Invalid Transfer was made to the Payee, if the Payee gave to the Company its reasoned refusal to perform the Demand. In this case, the Remittances in favor of the Payee shall resume on the first business day following the day on which the Issuer/Payer objects that the Invalid Transfer was made in favor of the Payee.
